

Michael Daul

Consultant

Michael Daul offers over eight years of professional multimedia design and production, web design and development, and graphic design experience. He has worked with a wide range of organizations, from small non-profits to large fortune 500 companies, as well as state and federal government agencies. Throughout all of his projects, Michael promotes the importance of usability and accessibility, while maintaining the practice of good design principles.

Michael earned a BA from Wake Forest University, where he double majored in Philosophy and Studio Art. He enjoys all things creative, including photography and videography, music, and design.
