

## Services | **Arts & Culture**

K&A partners with cultural organizations on all project stages. We provide the following menu of services from which our clients select according to their need. Whether you require a start-to-finish approach or one portion of a project completed, we can work with you to fulfill your goals.

### **I n v e n t o r y   &   P l a n n i n g**

#### Resource Inventory

External documentation of your current resources; evaluation of how these meet your stated goals.

#### Interpretive Planning

Identify your strengths and challenges, optimize your programs, and align directly to your organization's mission.

#### Funding Analysis/Search

Comprehensive funding search of public and private grant makers with specific recommendations.

#### Grant Writing/Editing

Aid in developing a winning approach to public and private funding agencies.

### **R e s e a r c h   &   D e v e l o p m e n t**

#### Exhibitions

Conception, research, writing, and coordination. We have extensive leadership experience in all stages of online and physical exhibit concept development, planning, and implementation.

#### Public Programs

Classes, workshops, events, lectures, and online programs.

#### Publications

Research, writing, editing, and design for print, email, and online publications.

#### Documentary Fieldwork/Photography

In-depth subject research including ethnographic inventory, documentary photography, and oral history. Suitable for use in a variety of exhibits, programs, publications, and tours.

### **E v a l u a t i o n**

#### Program Evaluation

Measure how programs are reaching their goals. Front end, formative, and summative evaluation.
